GRIEF RECOVERY

Healing hurting hearts

WHERE EVERYONE HAS HOPE AFTER LOSS

SUMMER CAMP

Summer Camp offers a fun and energetic 4-day program for children ages 7-12 who have lost a family member.

Group sessions incorporate art, music, games, and equine therapy in a fun, nurturing summer camp setting.

Each child is matched with a "Buddy" who will assist the camper in all activities so they are never alone in the grief process.

This faith-based therapeutic program provides a sense of hope in their time of loss, blended with all the fun of a typical summer camp!

FAMILY RETREAT

Family Retreat is a getaway weekend experience for the entire family.

Both group and private sessions provide a safe place for sharing and receiving supportive care.

This relaxing environment is the perfect place to reinforce bonds, have fun together, and receive tools to promote healing through the grief journey.

FOOTPRINTS

Footprints effectively places children in an 8-week after-school peer support group with other children, ages 6-15, who have experienced loss.

Children learn to effectively cope and identify a wide range of emotions in a secure and nurturing environment.

Our specially designed activities and games, created by mental health professionals, aim to engage and foster a strong sense of belonging. The theme of "You are not alone" is at the heart of all group-based activities.
